Parade Rules

Upon entry of the parade with a completed registration form on file, you are agreeing to follow the rules below. Help us to make our parade a safe and enjoyable event for all age groups.

1. All entries shall complete a form and be listed on the official roster by July 20.
2. All Motorized Transports & Vehicles must provide their own insurance and assume full responsibility of their actions while in the parade. Be mindful of warm temperatures and have plenty of water available for all participants.
3. There shall be no children under the age of 4 years old walking in the parade route without an adult present and the use of a stroller, wagon, or carrier.
4. To avoid a potential safety hazard of spectators blocking the parade route, no candy, promotional articles or objects may be thrown. If anything is thrown and observed, the party responsible will assume full financial responsibility for damages, clean-up, and restitution. Police and/or parade personnel may also pull the vessel from line-up.
5. All floats, trailers, and pulled carriers shall have lights that are working, secure, and safe. Children under 10 years old shall have a ratio of 6 children per 1 adult. No children are allowed to stand and or dance on a moving vessel.
6. Riders of floats, trailers and pulled carriers may not dangle legs or sit on the edge of the said vehicles. Riding on the hood of a vehicle is prohibited.
7. There will be no burn outs, spinning of tires or horsing around the spectators. Anyone doing this or providing a smoke show will immediately be removed from the parade route.
8. Any animal entered in the parade must be in control at all times by a responsible party. Any animal waste left in the parade route will be cleaned up immediately by a designee that the entrant provides. If they are not walking with the unit, the animals will not participate.
9. Walkers may hand out information but will be responsible for any of said information left on private property.
10. When passing small children and/or large groups of elderly spectators, please keep in mind the volume of your unit. Be sure to slow down the pace and be alert to someone who may be in the parade route.
