Good morning, Bruce

I am following up with you regarding the asphalt recycler. This unit is a total loss, I will need to know if the Town would like to keep it or have me pick it up for salvage. The actual cash value of the unit is \$21,670.00, if the Town would like to keep the unit, we would deduct \$4,000.00 in salvage value along with the \$1,000.00 deductible, for a check to the Town in the amount of \$16,670.00. If the Town does not want to keep the unit, we would issue a check to the Town in the amount of \$20,670.00 and have the unit picked up.

Please let me know how you would like to proceed.

*Thank You*

*Deb*
